ABOUT MADE EASY

MADE EASY – a name synonymous for success in ESE, GATE & PSUs exams, is now a two decade old success partner of engineering graduates for written examination and personality test, which are integral parts of selection process. MADE EASY has maintained its exclusivity by consistently producing toppers and highest number of selections in ESE, GATE and PSUs from last many years.

MADE EASY has best pool of renowned faculties, who are dedicated for full time service for MADE EASY. Our team consists perfect combination of renowned veteran professors as well as dynamic, energetic top rankers of ESE & GATE.

MADE EASY's SUCCESS MANTRA

- ✓ Highly proficient & experienced faculty members.
- ✓ Tireless efforts of experts and committed faculty members.
- ✓ Focused, systematic and well-planned course curriculum.
- ✓ Thoroughly revised, updated and relevant books.
- ✓ Exclusive and extensive personality development program.
- ✓ Regular assessment of performance through test series.
- ✓ Professionally managed.
- ✓ Interactive classrooms and well equipped infrastructure.

Mr. B. Singh (Ex. IES)

Chairman & Managing Director,
MADE EASY Group

ABOUT CMD

Mr. B. Singh (Ex. IES) is a distinguished alumnus of IIT-BHU, Varanasi. After completing his B.Tech in Civil Engineering in 1998, he worked in both private and public sectors. He qualified in GATE and ESE (thrice) in the years 2001, 2002, & 2003, securing All India Ranks 72, 12, & 11, respectively. He joined Central Engineering Services (CPWD) as an IES officer, and after a few months of service, he resigned from the prestigious job to spread his knowledge and experience to the next generation of students. He is not only a renowned teacher but also a motivational public speaker and the author of more than a dozen books on Civil Engineering and General Studies.

 Mr. Singh is also a member of various organizations such as "The Indian Road Congress", "The Institution of Engineers (India)", "The Indian Geotechnical Society" and "The Indian Society for Technical Education." He has been awarded several times for his contributions in the field of education and social welfare. He is conferred with the "Vice Presidential Award for Outstanding Contributions in the Education Field - 2018", "Social Development and Education Promotion Award 2017", "National Education Excellence Awards 2014 & 2015", "Captains of Industry Award 2012" and many more.

 Through his initiative and guidance, thousands of engineering graduates have transformed from common students into efficient officers serving the nation.

MADE EASY CLASSROOM COURSE (OFFLINE MODE)

Our classroom course fosters a competitive and motivating environment. Students, teachers, and classmates collaboratively create a positive and charged atmosphere that is conducive to cracking competitive exams. Students not only benefit from interactive classroom sessions but also have the opportunity to meet teachers directly after class to clarify their doubts.

Our Classroom Courses are designed to provide comprehensive preparation for competitive exams. All subjects are systematically taught, starting from the basics to advanced concepts. The course emphasizes on solving objective and numerical questions in class, ensuring students develop a thorough understanding.

Classes are conducted by highly experienced professors from reputed colleges and former GATE/ESE toppers. Separate batches are offered for GATE and ESE + GATE courses, catering to the specific needs.

High-quality study materials are provided, encompassing detailed theory and practice test papers for both objective and conventional questions. Regular assignments are also given to enhance practice and application of concepts.

MADE EASY has developed an exceptionally effective teaching methodology and advanced techniques to help students excel in competitive examinations. Our remarkable results stand as a testament to the quality of our teaching and commitment to student success.

Timely completion of the syllabus is a top priority at MADE EASY, ensuring students have ample time for thorough revision. This structured approach, combined with personalized attention, instills confidence and prepares aspirants to achieve their goals.

1 YR CLASSROOM COURSE

Classes are conducted 6-7 days a week for 4-8 hrs/day which could be extended on Sundays if needed. Course duration is approximately 7-10 months. These batches are suitable for pass out students who can devote their full time for preparation and cover the syllabus at brisk pace. We offer this course at all of our centres across India.

1 YR FLEXI CLASSROOM COURSE

The features of flexi course is same as regular classroom course. This course offers flexibility to students to attend (postpone) 5 subjects of their choice to the next session. They also have a choice to pursue these left over subjects either in Recorded mode or offline mode. This course is offered at all of our centres across India.

COMPREHENSIVE COURSES

ONLINE MODE

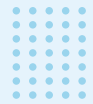

Comprehensive Courses are designed for full-fledged preparation as all subjects are taught from basic to advanced level. Due emphasis is given on solving objective and numerical questions in classes. High quality study materials are provided with sufficient theory and practice test papers for objective and conventional questions along with regular assignments for practice. Teaching pedagogy is similar to offline classes.

Classes are conducted by highly experienced professors from reputed colleges and GATE/ESE toppers. Separate batches are conducted for GATE and ESE + GATE Courses. MADE EASY has developed very effective teaching methodologies and advance techniques to help aspirants to face competitive examinations.

SHORT TERM COURSES

• GATE • ESE • SSC • SES

ESE Mains Exclusive Batches (Conventional Question Practice Program)

• Offline • Online

ESE Mains exclusive course (Conventional Question Practice Programme with Mains Test Series) is offered in online/offline modes so that there are no obstacles in the path of the aspirants. This course is useful not only in ESE but for various state examinations as well.

Course Features:

- Covers a variety of conventional questions for strengthening fundamental concepts.
- In-depth discussion on probable questions.
- Focus on improvement of 'answer layout' especially in case of theory questions.
- Updated Mains workbook for every subject having wide range of practice questions.
- Very useful to develop numerical solving approach and improving writing skills.
- Lectures will be delivered by senior faculties.
- Test series will be conducted on every Sunday in synchronization with the subjects.

Note: Mains exclusive Workbook will be provided in PDF format.

ESE & GATE Module-wise Courses

Online

Modulewise course is immensely helpful for those students who want to prepare few subjects (left-out/weak areas) of ESE & GATE and give a kick-start to their preparation. In this course students get Modules /combinations of 2-3 technical subjects for each branch. The course is also helpful for exams like State Engineering Services, PSUs and semester exams as well. Instead of entire course you can enrol in the specific module, which you are facing difficulty in. Course is very helpful for revision of weak concepts and practice questions to get the command.

Rank Improvement Batches

Live-Online

These batches are designed for students who have already undergone regular classroom coaching or have already been selected in GATE/ESE, but wish to improve his/her rank. These batches will give exposure for solving variety of questions within fixed time frame and provides an extra edge to score better as the curriculum helps in improvement of analytical and problem solving skills.

- **Regular Batches:** 6 days/week, 4 hrs/day; 300-350 Teaching hrs.

Courses for various State Services Exams

• Offline • Online

MADE EASY conducts courses for various state services examinations like RPSC, BPSC, MPPSC, OPSC, etc for technical as well as non-technical sections. Each course covers the syllabus of the particular examination and is designed according to the need and structure of that exam, keeping in mind questions from previous years. Courses are usually supported by well-researched, comprehensive study materials. Our quality teaching and unique pedagogy enable students to pass the desired examination with ease.

General Studies & Engineering Aptitude Batches for ESE Prelims

• Offline • Online

These batches are designed for preparation of ESE Preliminary examination Paper-I. All of the non-technical subjects of Paper-I will be thoroughly covered. Updated and revised books will also be provided as per the new syllabus. Total teaching hours will be 250 to 300 hrs.

- **Course Duration** : 3 Months
- **Teaching Hours** : 250 Hrs.
- **Class Duration** : 4 Hours/Day; 5-6 days in a week

Quick Revision Course

Online

MADE EASY's "Quick Revision Course" Reinforces your knowledge and improves weak areas through this program which is Ideal for every GATE aspirant. This program is offered in online mode so you can learn at your own pace. The Course covers myriad of quality questions that are helpful for GATE revision and it provides aspirants a final boost before the exam.

- **Streams**: CE, ME/PI, EE, EC/IN, CS
- Recorded sessions.
- Learn from experienced and renowned faculties for ESE and GATE.
- Exam oriented curated course.
- Recorded sessions for convenient learning anytime, anywhere.

Our Postal Book Packages cater to the needs of college-going students, working professionals, and individuals unable to join classroom courses. These books, offered by MADE EASY, are designed to be compact, comprehensive, and easily understandable. We have put our efforts to ensure error-free content, incorporating smart and shortcut techniques specifically tailored for solving numerical problems.

Revised and updated study material

Helpline : 8860378004

Salient Features of Postal Study Package

- Complete syllabus coverage aligned with latest pattern/syllabus.
- Detailed theory and practice exercises.
- Latest and updated study material
- Step by step solutions
- Ample no. of practice questions with PYQs.
- Emphasis on technical and non technical sections both.
- Subject-wise theory objective and conventional practice sets.
- Proven track record of student success.

For online purchase, Visit : www.madeeasy.in

For offline purchase, visit in-person at any MADE EASY center.
Books will be sent to your provided address.

Note 1 : Books are usually sent in two or more packages.

Note 2 : Current Affairs for ESE will be sent 1 month prior to the examination.

OFFLINE TEST SERIES

MADE EASY offers test series for ESE Prelims, ESE Mains, and CSE Mains (CE, ME, EE). Developed by MADE EASY's R&D wing, with contributions from reputed professors, GATE/ESE toppers, and MADE EASY faculties, the test papers ensure comprehensive preparation.

ESE Prelims Test Series includes basic and advanced questions to enhance speed, accuracy, confidence, and conceptual clarity. The ESE Mains Test Series, crafted by experts and toppers, includes part-syllabus and full-syllabus tests to build proficiency. This dynamic series, with 3-hour tests, covers repeat and new topics for continuous learning. The CSE Mains Test Series aligns with the latest exam trends, offering part-syllabus and full-length tests to cover the entire pattern and key topics. Model answers provide valuable insights for well-structured solutions.

Interview Guidance Program

The interview stage is a crucial and critical aspect of any recruitment process as it determines the selection or rejection of a candidate. MADE EASY comprises an experienced interview guidance team, including well-qualified technical and personality experts.

An exclusive 15-day/10-day/5-day program for the preparation of UPSC ESE interviews is conducted within a week of the declaration of written examination results. Additionally, periodic interview guidance classes lasting 6 to 7 days are held for various PSUs, MNCs, State Engineering Services, ISRO, BARC, DRDO etc. These sessions aim to address challenges such as technical reasoning, communication skills, practical application of engineering methodology, personality development, presentation techniques, and stress management. The interview program focuses on improving personal aptitude for presentation, enhancing technical and general awareness of practical aspects.

Salient Features of Interview Guidance Program

- HR & Personality sessions, techniques to face interview
- Personal profile discussion, video recordings of interview
- Interview feedback by experts
- Mock interviews and group discussions
- Ample no. of practice questions with previous years interview questions.
- Sessions on PD, HR & Current Affairs
- Interview Specific study material (Optional)
- Different programs for ESE and Public Sector Interviews.

- ESE • PSUs • BARC • ISRO • DRDO
- State Engineering Services Examinations

10 Key features which make **MADE EASY** the **most preferred institute**

1. Comprehensive Coverage

- ✓ In-depth exploration of both technical and non-technical syllabi with a primary focus on fundamental concepts.
- ✓ Gradual progression from basic to advanced levels.

2. Excellent Pool of Faculties

- ✓ Home to the country's most intellectual faculties, featuring a combination of experienced seniors and vibrant young top rankers of ESE and GATE.

3. Professionally Managed and Structured Organization

- ✓ Pre-planned class schedules with accurate implementation of timetables.
- ✓ Well-skilled management staff and faculties.

4. Timely Completion of Syllabus

- ✓ Well-framed modules under the guidance of Mr. B. Singh, CMD. MADE EASY is committed to completing the syllabus on time, allowing ample time for revision as "Revision is necessary for Retention."

5. Focused and Comprehensive Study Books

- ✓ Comprehensive books negate the need for a second book.
- ✓ Thoroughly revised and updated study materials by the qualified R&D team of MADE EASY.

6. Interactive Classrooms and Infrastructure

- ✓ Emphasis on "See and Learn" with high-quality teaching tools and equipped audio-visual classrooms.

7. Regular Assessment of Performance

- ✓ GATE and ESE Prelims online test series.
- ✓ ESE Prelims and Mains All India classroom test series.
- ✓ Subject-wise classroom tests with discussions.
- ✓ Test environment mirroring exam conducting bodies like GATE, UPSC, RRB, or State services.

8. Regular Updates on Vacancies/Notifications

- ✓ Display of vacancies in Government departments and exam notifications of GATE, ESE, PSUs, and State Services exams on the notice board and website.

9. Complete Guidance

- ✓ Industrious team of MADE EASY providing year-round mentoring for:
 - ✓ Interpersonal Skills.
 - ✓ Communication Skills.
 - ✓ GD and Psychometric Skills.
 - ✓ Mock Interviews.
 - ✓ Career counseling by expert teachers.
 - ✓ Sessions on techniques for efficient learning.
 - ✓ Motivational sessions by experts and ESE/GATE toppers.
 - ✓ Guidance for M.Tech admission.
 - ✓ Interview guidance for ESE and PSUs.

10. Astonishing Results

- ✓ Needless to say, MADE EASY has made things EASY. Our consistent results in GATE, ESE, PSUs, and state services tell the entire story.

NST

NATIONAL SCHOLARSHIP TEST

Valid on ESE/GATE
Comprehensive Courses

OFFLINE
COURSE

GET UPTO
100%
Scholarship

ONLINE
COURSE

GET UPTO
60%
Scholarship

Every engineering graduate dreams about engineering services examination, public sectors, IITs, etc. but unfortunately quite often we do see these sharp minds to take a step back due to unfavourable economic conditions. We organize scholarship test once in a year, where candidate can get upto 100% scholarship in Offline Comprehensive Courses and upto 60% Scholarship in Live-Online Comprehensive Courses. The scholarship is applicable on Tuition fee. The primary goal of NST is to support deserving students from economically weaker sections by offering scholarships based on their performance. These scholarships provide access to our online or offline comprehensive courses for ESE and GATE. Needless to say, these courses give aspirants an edge in these competitive examinations. Through NST, talented students can pursue their dream careers, overcoming financial barriers.

MADE EASY INITIATIVES

About **MADE EASY**

MADE EASY, is a name synonymous for success in ESE, GATE, PSUs and State exams. It is a 25 years old success partner of engineering graduates. MADE EASY has maintained its exclusivity by consistently producing toppers and highest number of selection in ESE, GATE and PSUs right since its inception in 2001. Founded by Mr. B. Singh and IIT-BHU graduate, who cleared the prestigious ESE Exam thrice spearheads the vertical with a team of highly qualified teachers and R&D team who constantly work for developing sound academic base and instilling competitive attitude amongst aspirants resulting in creating Nation's best engineers.

It is notable that in ESE-2024, 197 selections out of total 206 vacancies i.e. 95% of total selections are from MADE EASY, including toppers from all four streams. In GATE 2025, we have produced 401 selections in Top 100 Ranks including 5 All India Rank 1 holders.

About **NEXT IAS**

NEXT IAS, is an initiative of the MADE EASY GROUP, stands as a leading institute for the preparation of the UPSC Civil Services Examination. Catering to all stages of the rigorous examination—Preliminary, Main, and Personality Test—we provide comprehensive programs to guide aspiring candidates. Established in 2017 by Mr. B. Singh (Ex. IES), CMD MADE EASY Group, NEXT IAS swiftly emerged as the preferred choice for UPSC aspirants, offering top-notch faculty, meticulously designed courses, and an unwavering commitment to quality education. Recognizing the challenges and prestige of the UPSC Civil Services Examination, NEXT IAS employs a systematic pedagogy, regularly updating its curriculum to align with evolving examination requirements. In CSE 2024, NEXT IAS produced 600+ selections out of 1056 vacancies.
